## Good to know:

- The **e-bikes are heavier than a standard bike** (non-motorised) and can be difficult to cycle without any pedal assistance on.
- All e-bikes are **subject to availability** at time of request. We endeavour to advise in advance which model e-bike has been allocated to you at point of booking; on occasion, this may be changed last minute subject to operational requirements

## E-bike FAQs

- **Does the support team carry spare e-bike batteries on all departures?**  
Yes, the team will carry spares should you need them.
- **Do the e-bikes last for the full duration on the furthest travelled day based on an overnight charge?**  
Yes, your ebike should stay charged all day!
- **Would the e-bikes be suitable for all the ascents on the itinerary?**  
Yes, your ebikes will take you all the way to the top of even the highest ascent.
- **Is there the option of a step through frame and a standard frame on e-bikes?**  
No, standard frame only.
- **Do the e-bikes have suspension?** No
- **Can I bring my own pedals for e-bikes?** No, for safety reasons we do not support putting clipless or cage pedals.
